## Camp Philosophy

The Edinboro Soccer Camp is designed to make you a better player. You will be schooled in ways to not only train with your team, but also in ways to train on your own. Our staff of international and collegiate coaches offer you intense individual technical training.

The skills you will learn at each training session can immediately be put to use in the small-sided games. You are encouraged to try what you have learned.

As well as contributing to the local community, our goal at Edinboro University is to offer quality personal instructions to youth players at an affordable price so every player has the ability and facilities to improve their soccer skills.

## Facilities

The Edinboro University Camp participant is offered the opportunity to practice and play in one of the finest recreation and practice facilities in NCAA Division II Athletics.

Edinboro University features recreational facilities such as an AAU-size pool, basketball complete gymnasium, racquetball, sand volleyball, bookstore, and convenient store and bank.

Campers are housed in University dorms supervised full-time by coaching staff and counselors. All-you-can-eat meals will be served daily in Van Houten Dining Hall.

The University is only 18 miles south of Erie and 100 miles from the cultural centers of Pittsburgh, Cleveland, and Buffalo.

When traveling north or south on I-79, take the Edinboro exit and follow RT. 6N to Edinboro.
